'We're Here, When You Are Ready'

Family Hubs are local  
authority-led networks  
that bring health,  
education, and welfare  
services together into a  
single, accessible point of  
support for families

Building on the legacy of Sure Start, the programme aims to make family help easier to navigate by integrating services from pregnancy through to age 19 (or up to 25 for young people with special educational needs and disabilities, SEND).
